20 WALKING TOURS IN MANHATTAN

Jane McCarthy for The Women's City Club of New York

## ELSIE'S TOURS 20 WALKING TOURS IN MANHATTAN

ELSIE'S TOURS is a 100 page paperback book of 20 eclectic excursions from the Battery to Harlem. Inspired by tours that ELSIE DIAMOND arranged for the Women's City Club, they range from a few hours to a full day. Each explores a uniquely New York City area and reveals author JANE McCARTHY's eye for detail and the unexpected.

Organized by neighborhood, the guide to each site has directions for arriving, appreciating, and even eating in the area.

Illustrated with historic photos, the book has been beautifully formatted by designer GAYLE JAEGER.

Great for reading. Even better for giving, both to residents open to seeing with fresh eyes and to visitors who enjoy more than the usual tourist fare.

*All profits go to the Women's City Club of New York.*
