Dear Richard and Kira:

We would be pleased to have the name of the Women's City Club of New York added to the list of organizations supporting Resolution No. 837, "calling upon the New York City Department of Education to maintain a minimum level of arts funding in New York City Schools."

As an advocacy organization, we frequently contact members of the City Council regarding our positions and could write individual Council members to urge their support. As we have the list dating from December of those in favor of the resolution, please let us know the names of those who have yet to endorse it.

If there is any other way in which we can be of help, please do not hesitate to contact us.

With all good wishes.

Sincerely,

Laura Ludwig
